

Saber Spirit Club Meeting February 21, 2011

Mr. Reinke was our guest and presented an idea for trying to eliminate some of the theft going on at FHS. His request was to offer a reward for information leading up to the many thefts that occur in lockers, locker rooms, etc. It was well received by the group and decided unanimously that Saber Spirit Club would be willing to sponsor this program and support when monetary rewards are requested. An example would be a \$25 gift card.

Secretary report approved.

We Care program has been replaced with the Scrip Program. There are no plans at this time to take this on as a fundraiser. Target has a similar program you can sign up for and all profits go to FHS.

Treasurers Report \$12,021 is the ending balance. Teacher appreciation lunch was \$535.91 and a success. Zappa's was the vendor and seemed well received. Thank you Laura Fons. This will be an open committee for next year and I will be looking for a person to take this over.

Debbie Larson is in charge of Prom decorations and requested an additional \$220 to use for a cotton candy and popcorn machine. Theme for Prom is "Circus" and she would like this for the actual Prom dance. Prom has approximately \$1500 decorating budget so SSC will pay for this as an extra expense. Debbie is also looking for plywood and 2x4's. Hopefully she will find donators for this.

Prom Preview is a fund raiser to help keep Prom ticket prices down. Suggestion was made to raise ticket prices for Prom Preview from \$3 to \$4. The committee will be looking for donations monetary and prize oriented, so please help with this if possible by contacting Debbie Plath kevndeb@wi.rr.com.

The fundraisers so far for Prom have been, Noodles (\$115) and bake sale (\$200). The third fundraiser was Quizno's but profit was not known at this time. The next fundraiser is Cousins Subs on 76th St. March 9th. We discussed advertising Prom Preview with the NOW and the CITIZEN and also making posters for the elementary and middle schools. A photographer will be at Prom for formal pictures.

Post Prom is funded by donations and Saber Spirit Club. Budget is usually \$4000. This includes cost of venue, food, entertainment, and prizes. This will need lots of volunteers to work a shift. Post Prom runs from 12:30-3:30 am. Contact Tammy Chase chasettt@yahoo.com if interested in helping out.

Kathy Adam brought up communication at FHS and how can we help to make it better and more accessible. She will contact Deb Osborn, our communication liaison at the ECC for advice.

Saber Den was open the night of freshman orientation. Thanks to Marcy Garcia, Sue Malek, Carole Donovan, and Julie Ruetz for working the booth. Approximately \$300 in sales and lots of Saber Spirit awareness was achieved. Each freshman was given black and gold beads as a welcome to FHS, compliments of SSC.

Custodians were once again honored at ½ time February 15 during the Case make up game. Fourteen custodial staff were treated to a Quizno's lunch box which included a sub, chips and cookie compliments of SSC. Please thank these unsung heroes when you see them.

Brady Oates, Lance Baretz, and Brenden Butler were selected for the All Star High School Football Game Saturday July 16th in Oshkosh. Their team is fundraising to help raise money for Children's Hospital of Wisconsin. If interested in donating, please contact one of these guys. Congratulations to the three!

Next meeting is March 21.

In attendance: Kathy Adam, Cindy Minshall, Roxanne Christian, Nancy Hammernik, Andrea Darst, Rochelle Teska, Debbie Larson, Debbie Plath, Mary Burns, Kim Dandrea, and Jan Coenen.
